

EPE Foam Bag

Product Information Sheet

Image not available

SKU:

SKU2025080004

Brand:

N/A

Price:

Price on request

Status:

PUBLISHED

Material:

Expanded Polyethylene (EPE) Foam

Color:

White (also available in Pink, Black, Blue, and Custom Colors)

Thickness:

N/A

Packaging:

Bag Form (customizable sizes available, packed in bundles)

Property:

N/A

Elongation:

N/A

Density:

N/A

Origin:

N/A

Min. Order Qty:

1

Usage & Application

EPE Foam Bags are designed to provide superior protection for delicate items during storage, shipping, and handling. Made from expanded polyethylene material, these bags are lightweight, flexible, and offer excellent cushioning against shocks, scratches, and impacts. They are commonly used for packaging electronics, glassware, ceramics, automotive parts, and other fragile products. Resistant to moisture and chemicals, EPE Foam Bags ensure long-lasting product safety. Available in different sizes, thicknesses, and colors, these bags are an ideal solution for safe, eco-friendly, and cost-effective packaging.

Key Features & Benefits

- Superior Cushioning & Shock Absorption Protection
- Lightweight & Flexible EPE Foam Bag Design
- Excellent Thermal Insulation & Temperature Control
- Moisture-Resistant & Water-Repellent Properties
- High-Density Foam for Maximum Durability
- Easy to Use & Secure Closure System
- Non-Toxic & Food-Grade Safe Material
- Superior Impact Resistance for Fragile Items
- Anti-Static Properties for Electronic Protection
- Cost-Effective Packaging & Storage Solution

- Reusable & Environmentally Friendly Design
- Excellent Compression Recovery & Resilience
- UV-Resistant for Outdoor & Long-Term Storage
- Chemical-Resistant Surface Protection
- Low Thermal Conductivity for Energy Efficiency
- Superior Sound Damping & Acoustic Properties
- Easy Handling & Transportation Design
- Long Service Life with Minimal Degradation
- Versatile Applications Across Multiple Industries
- Meets International Safety & Quality Standards
